## "If You Wish, You Can Make Me Clean"

Years ago, when I was in the novitiate in Milford, Ohio, I read a book called, if I remember correctly, Miracle at Carville. It was about a center somewhere in the southern U.S which treated the dread disease, leprosy. Obviously, it was a shock for me to learn that leprosy even existed in the U.S. and that people had to be isolated during treatment of certain types of the disease. The author of this biography was a woman who successfully underwent such treatment and returned to her family and friends.

My next encounter with leprosy was in India. The treatment - I refer here to the peoples' reactions towards lepers - was often quite "biblical." People suffering from various types of the disease were often treated as outcasts and unclean, their ailments almost always being considered "contagious" by an uninformed public. Sometimes the lepers themselves played upon this misinformation to cajole a fearful public into giving them alms in train stations, bus stands or bazaars.

In general, our Catholic-Christian religious and priests are very sympathetic to lepers and try to bring some social change in attitudes towards lepers. There is much being done to rehabilitate the cured lepers also. Many parishes have centers where medicines are dispensed on a regular basis to patients coming from the surrounding areas. The cure for leprosy is long and necessitates a regular ingesting of certain medications. This is not easy when people have to travel miles for a weekly or monthly dose. Lepers are easy prey to discouragement and depression, making long-term treatment problematic.

Mother Theresa and her sisters and the brothers inspired by her chrisim made a preferential option for homeless orphans and outcasts. That option includes the lepers. Some had criticized her sometimes "disorganized" approach to the medical treatment of diseases like T.B. and leprosy. But Mother Theresa early on recognized - as did Jesus, her Guru— that the primary need of people with leprosy is "contact." Many other sisters from different congregations work with lepers and they all have the same spiritual insight: lepers need to be "touched." Innumerable religious and lay people continue to incarnate her charism.

No one wants to be with lepers, to claim them as their own, to wash their sores or give them medicine. No one want to run the risk of contracting the disease.

Whenever I had the great grace to come into contact with lepers and their families, I made a conscious effort to be close to them. You cannot know the joy of accepting food in the home of a leper. But then again, maybe we all can!

Our world - neighborhood, parish, country - has never been free of "lepers." Maybe we are of their number!? Jesus still roams the "hills" of Edison Park, Niles, Park Ridge, Chicago, etc., looking for people to "touch" and heal. He looks a lot like us! Mother Theresa is not simply to be marveled at; she is to be imitated. She would say with St. Paul: "Be imitators of me, as I am of Christ."

RCIA Moderator

## PASTORAL COUNCIL MISSION STATEMENT

The St. Juliana Parish Pastoral Council is an enthusiastic, compassionate, faith-filled community participating in the ministry of the Church.

We are witnesses of the Good News, and through example and prayer we live the Gospel message.

Through active listening we strive to determine and understand the diverse needs of our parish and community. We minister to these needs by inviting and empowering others to become involved in meeting the spiritual, temporal and social needs of all.

We partner with the Pastor and Staff to support existing parish life, to create vision, and to plan for the future.

**Attention**  
Widows & Widowers

The next Joyful Now meeting will be held on Monday, February 13th at 11:00 am in the Parish Center.

Please join us for an afternoon of conversation, games and refreshments.

Call Joyce Browne at 631.4127, if you have any questions.

## Annual Catholic Appeal 2006

### A Time for Reflection

This week, you are asked to read and reflect upon the Annual Catholic Appeal brochure that you will receive with your bulletin today. The theme of the campaign is:

"He has put His seal upon us and given the Spirit in our hearts."

2 Corinthians 1:22

The Annual Catholic Appeal provides a significant portion of the budget of the Archdiocese of Chicago. Most dioceses in the country conduct an appeal, once a year, to help with the costs of providing services and programs to their parishes and people. Chicago is no exception.

The Archdiocese has been cutting its budgets, programs and staff significantly over the last several years. Now, it must have significant financial support from the Annual Catholic Appeal in order to be able to fund the work to be accomplished in the coming fiscal year.

The Annual Catholic Appeal campaign is much different than a one time special collection. It is a pledge campaign where you can make a gift, payable over five months. Sometimes it is difficult to envision how one pledge can help an organization the size of our Archdiocese, how it can make a real difference. But, it does, because all parishes participate in the campaign and the gifts of many will enable our Archdiocese to deliver needed ministry and services.

If you received your pledge form in the mail, please complete it and mail it back or bring it to Mass next weekend. For those of you that did not receive a mailing, we will conduct our in-pew pledge process at all Masses next weekend and the following weekend.

As always, what you give should be given in gratitude for what God has given to you.

We always have a lot of to discuss, so bring your friends and join in the excitement.

## FOR THE GLORY OF GOD

The entire history of the Jewish people is directed toward one goal: that God might be glorified through the chosen people. Christians, too, are called to "do everything for the glory of God." In today's scriptures Paul reminds us that the best way for us to glorify God is to seek to benefit "the many," as Christ did when he shed his blood for all of humankind.

The reading from Leviticus explains one way the Jews sought to benefit the many, by keeping lepers and leprosy away from the chosen people. Jesus finds a better way. He cures the leper, who immediately re-enters the community to spread the good news about Jesus to everyone who will listen. In this way both Jesus and the leper fulfill their calling to glorify the God who fills us "with the joy of salvation."
