

### A Note from Father James Wallace...

Congratulations to the Emerald City Gala committee on an amazingly successful event. We will build a STEM lab with the funds raised and plans are already underway to have it incorporated into the 2019-2020 school curriculum. In addition to the money raised, the gala brought together close to 560 parishioners, school and CCD families and friends to celebrate our faith in God and love for our community. Thank you for your generosity and commitment to the St. Juliana Family.

After expenses, **WE RAISED \$170,000** and secured more than \$26,000 in in-kind donations to offset the cost of the event.

“I’d like to express my deep gratitude to everyone who nominated me for this prestigious award. My heart and soul will *always* be at St. Juliana and with the residents of Edison Park.”

JOHN F. MCDONOUGH
