

Saint Juliana School

January 2017

Dear Friend in Christ,

Welcome to Saint Juliana and thank you for taking an interest in our school! We are grateful for your consideration and hope you find the resources of this packet helpful in discerning which setting best fits the needs of your child and your family.

At Saint Juliana we are interested in the complete and integral formation of our students. This formation includes the child's academic, emotional, moral, artistic, athletic, and, ultimately, spiritual needs. We seek to foster not just an intelligent student, but a well-rounded, healthy and virtuous student. It is a sacrifice to send your child to a private, Catholic school. I am aware of this and thank you in advance for your generosity. It is an investment in your child you will not regret. Your son or daughter will graduate from this school not merely with intelligence, but with *goodness*. Graduates from Saint Juliana School are good people. Instilling goodness is an intangible element of a Catholic school, and one reason why you make the sacrifice to place your child in our hands.

Our principal and our faculty care deeply about the children within the halls of the building. A child's needs are the top priority of the teachers of St. Juliana. Thus you will find here a school committed to academic excellence, strong Catholic faith formation, and a sense of community. We have an exemplary academic program, as evidenced by our recent recognition by the United States Department of Education as a 2016 National Blue Ribbon School. Our children know, live, and pray their Catholic faith. And finally, our families connect and experience a genuine sense of belonging. Northwest Chicago and Edison Park is vibrant because of Saint Juliana School!

If you have any questions about our school and our parish, do not hesitate to let me know. I look forward to meeting you and your family, and to seeing your child become a good citizen and a joyful disciple of Jesus Christ. Please be assured of my prayers.

Yours in Christ,

Fr. James Wallace
Pastor, Saint Juliana Parish

Dear Parents,

Thank you for considering and/or choosing our school as the one to provide the very best educational opportunities and experiences for your child. As a parent or guardian, you have many options in selecting a school for your child. It is indeed one of the most important choices you can make for their future. In choosing St. Juliana School, you are providing your child with the spiritual and developmental skills they will need to build a bright academic future.

At St. Juliana School you will find more than just an elementary school. We are a unique community, where all students are provided tremendous opportunities to learn in a challenging academic setting; to embrace their spiritual life; and to grow physically and socially through participation in a variety of activities and athletics. We seek to develop our students so that they become independent learners with enquiring minds, and we work tirelessly to instill a curiosity and desire to discover new information. Though our academic standards are high, we appreciate all the achievements that our students make.

We highly value the positive family/school relationships that exist at St. Juliana and recognize the importance of liaison between home and school. We encourage our parents to attend all activities, sports competitions, and special events. We also welcome parents as volunteers in the classroom, and with our fine arts and sports programs, family liturgy and social events.

Please take the time to read through the material in this folder as it is designed to provide information about our school and at all times if you have any questions, do not hesitate to contact us. We are thrilled to welcome you to our community and look forward to a rewarding association with you and your family.

Warmest regards,

Katrina McDermott
Principal

FOR IMMEDIATE RELEASE

September 28, 2016

SAINT JULIANA SCHOOL IS NAMED ONE OF THE BEST IN THE NATION

CHICAGO, Illinois · September 2016 · U.S. Secretary of Education, John B. King, Jr., announced today that Saint Juliana School has been named a 2016 National Blue Ribbon School. Saint Juliana School is one among 279 public and 50 private schools receiving this honor.

Schools are nominated for the award by the state department of education, and then complete a comprehensive application about school practices. Schools may apply for status as Exemplary High Performing—among the top schools in a state—or Exemplary Achievement Gap Closing—schools making the fastest progress in the their state in closing achievement gaps among student subgroups.

Principal Katrina McDermott will represent Saint Juliana School at a two-day awards ceremony in Washington, D.C., to celebrate the hard-won achievement.

For more information about Saint Juliana School, please contact the school office at 773.631.2256. For more information about the National Blue Ribbon Schools program, please visit their website at nationalblueribbonsschools.ed.gov/

About St. Juliana School

St. Juliana School has faithfully served Catholic families in the Edison Park, Nilas and Park Ridge communities since 1928. Excellent academic achievement, spiritual development and service to others characterize Saint Juliana School students. Extracurricular programs in athletics, fine arts, and scouting provide students with additional opportunities for growth and exploration. A ministry of Saint Juliana Parish, the school welcomes children of all faiths, from preschool (Age 3) through eighth grade.

Tuition & Fees

Family Enrollment Fee: \$100

A one-time fee per family, charged at the initial time of enrollment. **Non-refundable.**

Student Admission Fee: \$95

A one-time fee per student; charged at the time of enrollment. **Non-refundable.**

There are no additional or recurring academic fees. Participation in certain curricular and extracurricular activities such as field trips, athletics, fine arts, scouts and other programs generally requires a fee that is established by the sponsoring organization.

Tuition Rates

Tuition is charged on an annual basis and rates are published in spring for the upcoming school year. The current tuition schedule is available on our website. Tuition is serviced by FACTS Tuition Management and multiple plans, due-dates and secure payment methods are offered. There is no fee for FACTS or electronic (ACH) payments made from checking or savings accounts; credit/debit cards incur a 2.75% transaction fee paid to FACTS.

Participating/Non-Participating Family

Participating families are registered parishioners who make a commitment to contribute a minimum of \$720 annually to the parish through Sunday, Christmas and Easter offerings.

Financial Assistance

St. Juliana Parish invites parishioner families to apply for financial assistance through the FACTS Grant & Aid portal. There is a \$25 application fee charged by FACTS. The reported family need provided by FACTS is the primary basis for grants awarded; additional factors include demonstrated involvement and commitment to church attendance and school activities. Financial awards are applied on a monthly basis to the tuition billing.

Extended Care Program

Affordable morning and after-school care is offered for children on full school days. Care is not available on half-days or during holiday breaks. The program may be used on a regular or occasional basis by families who have pre-registered with the program director. Fees are established by the program director and are billed and payable through FACTS.

Saint Juliana School

Welcome to St. Juliana's Three-Year-Old Preschool!

Sessions Offered

Full-day, five days per week

Morning half-day, five or three (MWF) days per week

Philosophy: Children thrive in a challenging and loving, learning environment based upon respect of self and others. We guide the children as they begin their school life—nurturing their enthusiasm, fostering self-confidence and introducing the basic concepts of the Catholic Faith.

Goals for Preschool: To provide a positive first school experience through:

- ◆ Learning to interact kindly with others.
- ◆ Exploring learning centers.
- ◆ Participating in a variety of art, movement and motor skill activities.
- ◆ Learning about the presence of God in their lives.

Positive Reinforcement: Our discipline policy is based on a model of positive reinforcement. We constantly praise good behavior. Using patience, love and understanding, we set clearly defined limits and talk about acceptable ways of handling situations as they arise. We redirect negative behavior and encourage each child to make good choices.

Themed Learning Units: Students learn various objectives and skills through our weekly themes, such as friendship, bears, nursery rhymes, circus, families, winter time, farms, and community helpers.

Parent Participation: We have opportunities for parents to participate with our Mystery Guest program, and we may ask parents to volunteer for field trips. If a parent is available, he or she is also invited to volunteer on special days during the year.

We are aware that these early years are crucial in forming the child's attitudes about himself and others. With this understanding of our responsibility to you and your child, we welcome you to our school. We hope this year will be a very happy and rewarding experience for your entire family.

Saint Juliana School

Welcome to St. Juliana's Four-Year-Old PreKindergarten!

St. Juliana offers both full-day and half-day programs five days per week for four-year-old students.

Philosophy: Childhood builds confidence through experiences of joy, laughter, hope, love and small successes. Children acquire knowledge about the physical and social worlds in which they live through playful interaction with objects and people. They are motivated by their own desire to make sense of their world. St. Juliana's PreK 4 exposes the child to the unconditional love of God, parents and others. We strive to develop a child's mind, body and spirit.

Goals:

- To provide growth and learning opportunities according to each child's ability.
- To help students gain confidence, experience a positive social environment, and treat others with kindness and respect.
- To create an awareness of God through the wonder and beauty of our creation.

Curriculum: The new literacy-rich curriculum for PreK 4 is the Big Day for PreK Curriculum™. It is organized into eight engaging and child-friendly themes. As the year progresses, the themes in this early-learning program broaden, and children begin to understand more about the world around them. Within the eight learning themes there are weekly big ideas and daily big experiences. Examples of the big experience are carpet/circle time activities which includes role play activities and center activities. The PreK 4 centers include a creativity center, a math center, a science center, a reading and listening center, a block area, a painting station, a small manipulatives station, a sand table and a water table. There is a social emotional focus incorporated into each of the learning themes: Cooperation, Kindness, Responsibility, Attention, Initiative, Self-Awareness, Curiosity, and Persistence. Included in the Big Day Curriculum is an online resource for parents, the Family Space, where you will find books to read online with your child, games to play and resources to download.

We are aware that these early years are crucial in forming the child's attitudes about himself and others. With this understanding of our responsibility to you and your child, we welcome you to our school. We hope this year will be a very happy and rewarding experience for your entire family.

Saint Juliana School

Extended Care Before and After School

Our extended care program provides affordable, professional supervision and recreational activities before and after the school day for Saint Juliana School students in preschool through eighth grade. It serves working parents who desire both parochial school education and day care in a Christian environment. Extended care may be used on a regular or occasional basis; attendance registration is done weekly in advance.

The program director, Christine Boldt, is a long-time faculty member, and all extended care supervisors are current SJS faculty members, or aides with instructional experience. Every staff member is in full compliance with state and archdiocesan requirements for the protection of children and youth.

Extended care highlights:

- Offered on all full and most half-days when school is in session
- Not available on holidays, breaks, and half-days immediately preceding holiday break
- Open at 7:00am until 8:05am in the morning before each school day
- Open after school from 2:50 until 6:00pm
- A nutritious snack and milk will be provided daily after school at no additional cost

While at extended care, children may participate in a variety of activities:

- Indoor and outdoor physical activities
- Supervised homework time and computer use (six computers are available)
- Learning and fun games
- Socializing with friends
- Videos for children
- Arts and crafts activities

Fees

- All charges are billed and paid through FACTS Tuition Management
- \$40 annual registration fee for first child; \$10 annual for each additional sibling
- Daily cost for morning care is \$6
- After-school care cost is based on pick-up time:
 - By 4:00pm: \$6
 - By 5:00pm: \$10.50
 - By 6:00pm: \$14 (late fees apply for pick-up after 6:00pm)
- Sibling discount of 50% on the daily rate for each additional child using the program

Featured Extracurricular Highlights

	<p>BOKS · Build Our Kids' Success Exercise can have a profoundly positive impact on student behavior and academic performance. The BOKS program gets students moving in the morning before school and teaches them to make healthy nutrition choices. Moderated by parent volunteers and funded by a Reebok Foundation grant, nominal participation fee and donations.</p>
	<p>GOTR · Girls on the Run An after-school program open to girls in 6th through 8th grade, GOTR inspires girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running. The girls prepare for and participate in a 5K in downtown Chicago in late May. Funded by participation fees and donations.</p>
	<p>Spring Musical · Fine Arts Association The hottest ticket in town is this annual show featuring an all-student cast and crew. Past hits over the last decade include Willy Wonka, The Wizard of Oz, Annie, The Music Man and many more. Performances by the Glee Club open the show. Funded by participation fees, ticket sales and fund-raising activities.</p>
	<p>Young Scientists' STEM Club Moderated by a primary grade faculty member and open to students in grades 1-3, this club exposes young learners to science, technology, engineering and math through engaging, hands-on activities such as constructing roller coasters and building igloos. Funded by participation fees and donations.</p>
	<p>WeatherBug School Our very own rooftop weather reporting station—the only WeatherBug in Edison Park—provides WGN meteorologists with current local conditions for their radio and TV broadcasts. Protecting God's Children

The safety and well-being of our students and visitors is our top priority and we adhere to the practices and policies established by the Office for the Protection of Children and Youth (OPCY), a department of the Archdiocese of Chicago.

Before becoming involved in any volunteer activity or ministry, all adults age 18 and older are required to successfully complete the background screening and training outlined below. Documents and links are available on our website on the FAQs & Forms page under the Parents portal:

- **Application for Employment or Volunteer Service**
Archdiocese of Chicago Form 7703;
- **Criminal background check;**
- **Child Abuse and Neglect Tracking System (CANTS)** application updated annually;
- **Code of Conduct** read, signed and returned;
- Attend a **VIRTUS** training and receive monthly email bulletins; there is no charge and a session is offered at St. Juliana in September; alternative dates and locations are available across the archdiocese.

Parish (church and school) employees who work with children are also required to pass a fingerprint screening and complete Mandated Reporter Training.

If you are new to the school and plan to volunteer in any capacity (room parent, lunch/playground aide, field trip chaperone) please begin the OPCY process in August, so that your clearance can be obtained promptly. We also encourage parents and caregivers of children and vulnerable adults to consult the resources offered by the **Children Matter Network** (www.childrenmatternetwork.org).

Again, the safety of children entrusted to our care is our top priority. Please know that every staff member and volunteer of St. Juliana Parish—the school and church— is in full compliance with OPCY policies, as verified by annual audits overseen by the United States Conference of Catholic Bishops.

Want to save money on tuition?

Use the Tuition Reduction Incentive Program

St. Juliana Parish offers families the opportunity to earn rebates that directly reduce their tuition billing.

It's simple!

TRIP purchases gift cards at a discounted rate, and then passes a share of the savings on to you. Just purchase gift cards for your favorite stores at face value (a \$50 gift card costs \$50, no mark up). You will receive a percentage of the value of that gift card applied toward your tuition, and so will St. Juliana School.

Participating families have earned hundreds of dollars toward tuition.

Example:

You buy \$100 in Jewel gift cards. This generates \$5.00* in credit. With the 80/20 split, you get \$4.00 and \$1.00 goes towards the St. Juliana School general fund. Your \$100 purchase equates to \$105 worth of value!

START NOW!

Sign up as a future family and start reducing your future tuition payments now.

Ready to enroll? Visit stjuliana.org/TRIP

Read the current TRIP policies, sign the TRIP registration form and send to the parish office. Then you are ready to order!

Buying TRIP Cards

TRIP gift cards can be purchased through school, at the parish office, during Coffee Tea & Thee events, and online at shopwithscrip.com. The website option allows you to buy instant ScripNow! certificates and reload gift cards.

Questions?

TRIP has been in existence for more than 30 years. You can learn more about TRIP on our website, by emailing Lynn Gibbons at lgibbons@stjuliana.org or by calling 773.631.4127.
